Our Travelers File consist of consumers who travel often and have opted-in to receive information and offers related to travel. These consumers are excellent prospects for cruises, time shares, various vacation packages, travel related merchandise, travel related publications, etc.

These consumers enjoy recreation and relaxation. They are great targets for offers on leisure activities such as yoga classes, gym memberships, spas, county club offers and more. If you are looking to target a variety of travelers including Business Travelers, Leisure Travelers, Timeshare Owners, Cruise Travelers and much more than this is the list for you!

Each record is confirmed for accuracy and deliverability. As a matter of fact, you'll find that Media One's list hygiene standards are some of the most stringent in the industry.

Your list will be custom created to meet your exact needs with more than **133 demographic, lifestyle, interest and behavior characteristics available.**

We are the source, we aggregate and compile data ourselves on a quarterly basis. NCOA and ECOA is done on output of order.

Examples of our Consumer Buying Selects:
